## LEARN A LIFE SKILL

### LEARN TO SWIM

## PARENT INFORMATION FLYER

Thank you for recognising the importance of swimming and water safety for your child. The ability to swim with confidence is a life skill all children should continue to develop in order to remain safe around our waterways. With 270 people drowning in Australia last year, the Learn to Swim message has never been more important than it is today.

In assisting parents with a better understanding of their child's learn to swim progress, an **Aquatic Survival Chart** has been developed. It is encouraged for all children to learn to swim in to the "green" bands. The "green" bands are an indication of the national benchmark outlined by the Tasmanian Education Department.

# WELCOME TO TERM FOUR LEARN TO SWIM 2017

## SEATING

Seating is located on Davey Street side of the pool and at the deep end. Shallow end and Macquarie Street side are for students & instructors only. **EMERGENCY EXIT DOORS MUST BE KEPT CLEAR AT ALL TIMES.**

## MEET UNDER THE SIGN

Lesson meeting points are on Davey St side of the pool. All students must meet instructors at the class level signs prior to commencement of each lesson. In the event of illness, replacement instructors will meet students under these signs.

## NOTICES

All notices and enrolment information will be outlined on the pool TV. The TV is located at the entrance to the pool. Information flyers about Collegiate Pool can be located on the display stand next to the TV.

## SWIMMING CAP AND GOGGLES

All swimmers must wear a swimming cap in the pool. Goggles are not compulsory, however are a good learning aid for swimming. Caps and goggles are available for purchase at the pool office.

## FOOD

No food is to be consumed on pool deck. Food can be consumed in the foyer area. Collegiate Pool is a wet deck, therefore any food or drink spillage can end up in the pool water.

## ABSENT

No alternative or make up classes will be available if your child is absent from a lesson. Please notify pool office via email if a swimmer is unable to attend their session.

## SHOES

To avoid contaminating pool water we ask patrons to check your shoes prior to entering the facility. If your shoes are muddy, please leave them at the entrance. Collegiate pool is a wet deck so foreign matter brought onto the pool floor can transfer in to the water.

## SHOWER BEFORE CLASS

To assist in maintaining clean water & minimizing chemical use, we ask that all patrons shower before entering the water. **This includes learn to swim students.**

Please support your local pool in maintaining clean quality water for your child to swim in.

## LEARN TO SWIM TERMS & CONDITIONS

- Unfortunately no refunds, credits or alternative classes will be available for missed classes.
- Changing classes will involve a \$10 transfer fee
- Collegiate Pool have the right to cancel classes if there are an insufficient number of students enrolled. (3 or less students)
- Instructors are subject to change. Management work towards this not occurring.
- Students are ineligible to participate if full payment has not been received prior to the commencement of the first lesson.

## LEARN TO SWIM CARD

Prior to the first lesson swimmers are to collect their swim card from our friendly staff at the pool office. This card is to be given to the instructor at the beginning of each lesson.. This will ensure all attendance, medical and contact details are known and accessible. Cards are only valid for one term or one semester.

## FORGOTTEN LEARN TO SWIM CARD

You can fill in a temporary card prior to the lesson at our pool office. **NO CARD = NO SWIM**

NO swimming before or after lessons, please wait for your instructor. If lanes are available the cost is \$7.00 for a casual swim

## FAMILY CHANGE FACILITY

If you are attending lessons with your child of the opposite sex and need to use a change room, please see office staff for an alternative option. Only children under 5 can be changed in opposite sex change rooms.

## INFECTIONS

Notification to pool office is required if your child presents with an infection. Department of Health and Human Services states '...notifiable diseases are those with significance for public health and must by law be reported to the director of public health.'

Public Health Hotline TAS 1800 671 738
