

St Michael's Collegiate Parent and Student Sporting Agreement

Please ensure you read the information below carefully and acknowledge your agreement with Collegiate's Sports Policy.

All students should have the opportunity to develop individual talents through participation in a wide and varied sports program conducted in an atmosphere of encouragement and recognition. The sports program is based on a strong sense of values incorporating team work, commitment, fair play, individual responsibility and respect for others.

School Policy:

1. (a) Sport at Collegiate is not compulsory, however once a girl makes the choice to play and is selected in a team then she is **fully committed** and obligations to coaches and team members should be fulfilled.
(b) Any School based sporting activity should take precedence over other outside sporting commitments and interests.
(c) Girls are required to attend all practices and matches. They must personally notify their coach or the Sports Administrator if they will be absent for a particular reason. Sending a message with another student is not acceptable. Our coaches are volunteers who willingly give up their time to assist the School.
2. Sports Uniform should be worn when travelling to or from practices and matches; girls are expected to be neatly attired in the correct Sports Uniform. The correct safety equipment must be worn where applicable. If students do not meet safety requirements the coach; referee or Sports Administrator have the right to refuse participation.
3. Transport: A School bus will be provided to transport girls to Ham Common. It will leave the Davey Street car park at 3:45pm. It is the responsibility of parents to transport their daughter to and from venues other than Ham Common. The School takes no responsibility for students walking or sharing transport outside regular school hours.
4. Girls who have medical conditions such as asthma or any other condition that requires medication must alert the team coach/manager of this at the beginning of the season. Medication must be carried with students to all sporting events. If students do not have medication with them they will not be able to participate.
5. Routine dental, medical and other appointments should be made at times that do not conflict with sporting commitments.

Expectations of Parents and Spectators

Parents Code of Conduct

1. Cooperate with the School to achieve the best outcomes for your child
2. Support team and event officials regarding your child's learning, wellbeing and behaviour
3. Maintain positive relationships with team officials regarding your child's learning, wellbeing and behaviour
4. Encourage participation by your daughter
5. Model good sportsmanship
6. Be courteous and constructive in your communication with players, team officials, game officials, other parents and the Sports Administrator
7. Encourage honest effort, skilled performance and team loyalty
8. Do not interfere with the conduct of any sporting events
9. Support the School's policy of a smoke and alcohol free environment
10. Demonstrate appropriate social behaviour at all School sporting events

Spectators Code of Conduct

1. Demonstrate appropriate social behaviour at all School sporting events
2. Remember children play for enjoyment; please do not let your behaviour detract from their enjoyment
3. Let game officials conduct events without interference
4. Support skilled performances and team play with generous applause
5. Support our policy of a smoke and alcohol free environment
